*Additional purchase required

** Additional purchase of Sage Additions required. These are products developed by the Sage Developer Community (not Sage) that integrate with some Sage products.

***Quick indicates there is a dedicated entry form to simplify the data entry process for either cash or till takings. These forms are designed to simplify the data entry process for owner managers who are unfamiliar with accounts software. These activities are completed directly into the bank accounts in all other products.

^Refers to Instant Accounts and Sage 50 Accounts variants only
